

Clouds Template - Stencil Page!

For use with our "Sign from Above" Rubber Stamp
or any project that needs clouds :-)

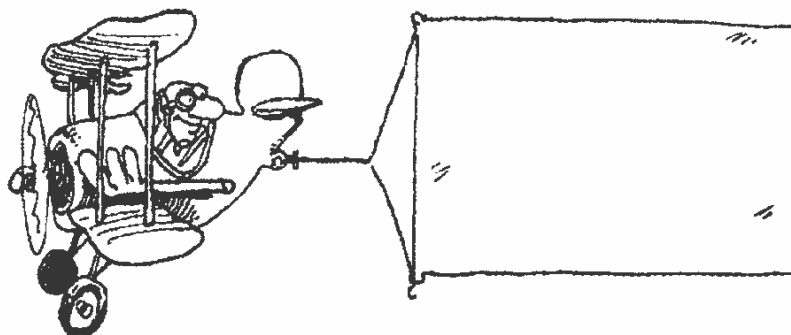

Rubber Stamps
Made in USA

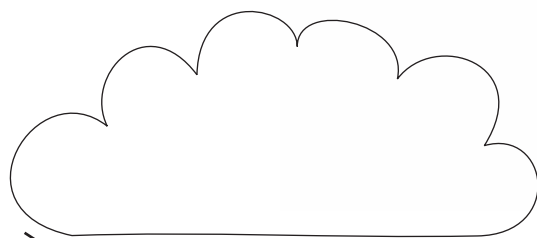

© JPS Digital LLC

1. Print onto 8.5" x 11" paper.
2. Cut out the clouds BUT don't cut page into pieces. Simply cut into each cloud from sides of page.
3. Tape your cut lines and use cut out clouds as template (i.e. stencil) to trace onto other papers.

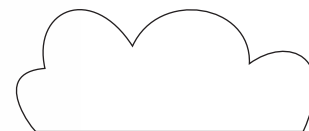

Important...
In print dialog box
be sure 'Page
Sizing or scaling'
is set to 'Actual
Size or 100%'
so you get an
accurate print size.

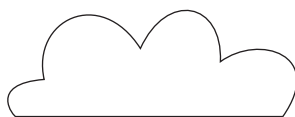

Sign From Above Stamp (actual size)

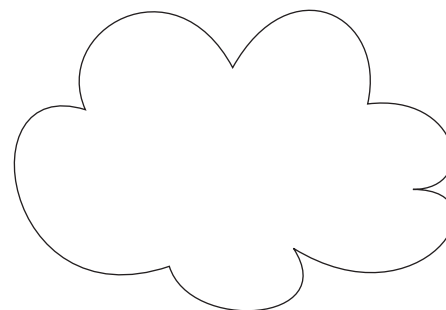

cut in with scissors
then tape over your cut line
to make this a stencil page of clouds.

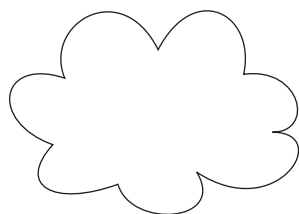

cut in with scissors
then tape over your cut line
to make this a stencil page of clouds.

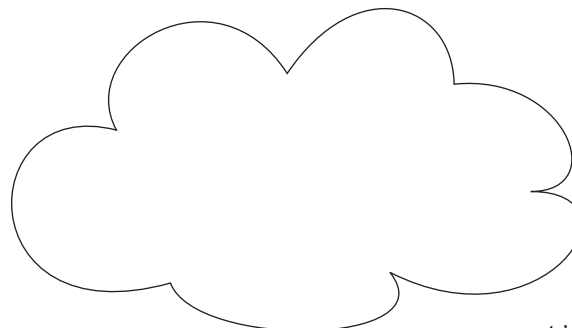

cut in with scissors from the side
then tape over your cut line
to keep your entire page in tact.

cut in with scissors
then tape over your cut line
to make this a stencil page of clouds.

cut in with scissors - cut out cloud
then tape over your cut line
to make this a stencil page of clouds.
